For safe cycling

Five rules for safe cycling

- (1) As a general rule, bicycles should be ridden on the road, keeping to the left. Riding on the sidewalk is an exception, and pedestrians always have the right of way.
- (2) At intersections, obey traffic signals and stop signs, and check for safety.
- (3) Turn your lights on when riding at night.
- (4) Riding a bicycle while intoxicated is prohibited.
- (5) Wear a helmet.

For more information, please contact the Safety & Security Promotion Division
TEL: 093-582-2866

Bicycle Parking

- (1) Prohibition of Leaving Bicycles Unattended
It is prohibited to leave bicycles unattended on streets and in parks throughout the city. Unattended bicycles will receive a warning, then will be confiscated and kept in a storage facility, and may be subject to disposal.
- (2) Municipal Bicycle Parking Lots
There are municipal bicycle parking lots in the vicinity of the station. Please park your bicycle there.

For more information, please contact the Road Maintenance Division
